

THE PHILIPPINES

PROJECT GOAL

Increase disaster preparedness capabilities of 20 communities in the province of Occidental Mindoro.

OBJECTIVE 1

Community-level DRRM related committees are inclusive, gender-responsive, promote safety and protection of children and represent the diversity of their communities.

OBJECTIVE 2

Community-level DRRM related committees' capacities are strengthened to lead, implement and deliver gender-responsive and inclusive DRRM programs, particularly to women, girls, and persons with disabilities further made vulnerable by intersectionalities such as ethnicity, age, gender and ability.
