## 1. Background Information on Plan International

Plan International is a development and humanitarian organization that advances children's rights and equality for girls. We strive for a just world, working together with children, young people, our supporters and partners.

We have worked with children, young people and communities for more than 85 years and are committed to making a lasting impact on the lives of the most vulnerable and excluded children while supporting children's rights and gender equality.

Plan International's refreshed global strategy 2022-2027 strives to achieve a world where all girls are standing strong creating global change. To achieve this ambition, our goal until 2027 is: Girls and young women in all of their diversity reach their full potential as equal and active citizens in both development and humanitarian settings.
